## Objectives

Motivated MCA student with a powerful foundation in software development, web technologies, and database systems. Seeking an entry level role to apply technical skills, problem solving abilities, and project experience to build efficient, user centric applications while continuously learning and growing as a software professional.

## Technical Skills

Programming Languages	Python, Java, C
Frontend Technologies	ReactJS, JavaScript, CSS
Database	MYSQL, MongoDB
Frameworks	Scikit-learn, Flask, Angular
Big Data & Distributed Computing	Hadoop, PySpark

## Education

### PES University

Master of Computer Applications | CGPA: 7.17

Nov 2024 - Jun 2026

### Gogte College of Commerce

Bachelor Of Computer Applications | CGPA: 8.01

Oct 2021 - Sep 2024

## Projects

### Donation Management System

- Developed a web-based platform using **PHP, MySQL, HTML, CSS** and **JavaScript** to manage donors, NGOs, and inventory. Contributed to **requirement analysis, UI design, and testing** for smooth functionality. Improved transparency and efficiency by automating key processes for charitable organizations.

### Ferrari Inspired Website

- Created an interactive website using **GSAP animations** and **Locomotive Scroll**, delivering engaging navigation and smooth performance. Demonstrated strong **front-end creativity and user-focused design**.

### Study Time Scheduler using a priority queue

- Built a scheduling system using a **priority queue** to prioritize and manage academic tasks efficiently. Designed features for adding, updating, and tracking tasks with **unit testing** for reliability. Enhanced productivity by reducing time lost in manual planning

## Positions of Responsibility

### Organized State Level IT Fest | EVOGEN 12.0

Jul 2023, Jun 2024

- Successfully organized and led the execution of a State-level IT fest, involving 950+ students.
- Exhibited exceptional leadership and organizational abilities, leading to the seamless execution and success of the IT fest.
- Coordinated various aspects including event scheduling, participant, accommodation engagement, and overall event management.

### Education Society Member | Chandrashekar School, Badagi

2019 – present

As part of the Education Society for Chandrashekar School, I played a crucial role in shaping strategic decisions that led to significant improvement in the school's performance. Specifically, we saw an impressive 8-13% increase in academic excellence and student engagement due to these strategic initiatives.

## Achievements

- Recognized as best member for consecutive year for 2022 and 2023 within the education society, acknowledging exceptional contributions that positively influenced the school.
- Received multiple Pratibha Puraskar for securing 90+ in core subjects in BCA.
